To Whom It May Concern,

We have booked KARI & JERRY Shurtleff into a number of venues (including The Silver Club, Sparks, NV, The Silver Smith Casino & Resort and The State Line Hotel & Casino, both in Wendover, NV, Fitzgeralds Casino, Blackhawk, CO, among others). In every case, they have done a great job for us. They are professional, prompt, and talented.

I would be happy to answer any questions about KARI & JERRY - please give our office a call.

Thank you.

Sincerely,

Paul Hedberg
